Dear Parent/Carer

Following government recommendations for schools to offer a limited service during the coronavirus pandemic we would like to assure you that you will still be able to access help and support from the special school nursing service.

During this time you can continue to get support and advice from the special school nursing service by either emailing:

The email and telephone lines will be staffed Monday to Friday 08:30 – 16:00 and staff will be able to support or advise as required. If you email or leave a message outside these times staff will be in contact with you when they return

Please check www.birminghamcommunity.nhs.uk for any information about other services.
