

# What's Happened

## Spring A 2021

### Foundation: Bears

Kiana enjoys cutting and making masks, climbing at the park and writing.

Mikhail enjoys water play, dance and yoga in the hall. He loves writing his name.

Denzel enjoys balancing and playing outside. He loves to choose the calendar day. He can read all of the days of the week. He loves BSL story and helping his friends.

Kymani loves making crafts. He loves the story "Going on a Bear Hunt" and hunting for bears outside. loves cooking, making toast and sandwiches.

Nasri loves the bikes. He loves dancing and playing with his new

### Year 1: Dolphins

We worked hard during our time at home. We enjoyed our morning meeting, especially when we got to dance.

We liked seeing our teachers on the computer and practicing our reading, spelling and maths skills. We shared stories every day at our end of day meeting. We learnt about The Great Fire of London and how to stay safe on the computer.

### Year 2: Badgers

During Spring B half term, we enjoyed looking at The Elves and The Shoemaker, then Snow White and the 7 Dwarfs. We used this story to practise writing adjectives and role played the story. In maths we practised measuring, we measured ourselves using bricks and put ourselves in order of height. In geography we have been learning about the countries of the UK, their capital cities and the seas that surround the country. We also learnt about St Patrick and St David on the Saint's Days. In PE, we polished up our throwing and catching skills and started to play competitive games, whilst in dance we have learnt and practised a Morris dance for the school dance competition.

### Year 3: Meerkats

We all did some fantastic learning during our time at home. We practised our phonics, spellings and reading every week with the teachers. We enjoyed our morning meetings when we were able to see all our class friends and teachers. We liked doing our weekly challenges, especially making snowmen and snow animals when we had lots of snow. Every afternoon we liked showing the work we had completed and listening to stories.

### Year 4: Hedgehogs

*We were all very resilient during Spring A! We really enjoyed our morning meetings seeing all our friends and teachers online. We enjoyed the phonics/colour and material scavenger hunts and warm up exercises that we did daily. We practised our spellings and reading every week with the teachers and were very good during our 1:1 maths English and science lessons. Lots of exciting learning took place! Every afternoon we liked listening to the BSL stories.*

### Year 4: Monkeys

We were all very resilient during Spring A! We really enjoyed our morning meetings seeing all our friends and teachers online. We enjoyed the phonics/colour and material scavenger hunts and warm up exercises that we did daily. We practised our spellings and reading every week with the teachers and were very good during our 1:1 maths English and science lessons. Lots of exciting learning took place! Every afternoon we liked listening to the BSL stories.

#### Year 5: Crocodiles

We were very busy during Spring A. We learned about World War 2 and some of us even dressed up for the occasion! We enjoyed our science work, particularly sorting things into living and non-living, and we worked really hard at learning our spellings and tables. We really enjoyed our daily meetings and it was lots of fun ending the day with a shared story!

#### Year 6: Tigers

We enjoyed learning about World War II. We wrote news reports from the London Streets during The Blitz and built model Anderson shelters. We wrote letters home as evacuated children and made model gas masks. We also learnt about rationing and cooked a war time recipe for carrot biscuits.

We enjoyed learning all about light in science. We made rainbows with water and prisms, and model periscopes and learnt about how light allows us to see.

In maths we studied statistics, volume, weight and time. We wrote quizzes for each other to show and test our knowledge.

We shared our learning on our online Teams classroom.
