a primary school for Deaf children

What's Happened

Autumn B 2022

What's Happened: Autumn B 2022

Foundation Starfish

I love singing!

My favourite songs are 5 little pumpkins and 1 little, 2 little elves.

I enjoyed learning how Sikh and Hindu people celebrate Diwali.

I was proud to win a medal at the Gymnastics Festival and worked hard to balance in different ways.

I liked learning about bonfire night and pretending to making a fire with my friends.

I loved learning the nativity story and using the characters to act it out.

I liked reading 'So Much'. It was a funny story and I could act it out with props.

I enjoyed reading "Dear Santa" and lifting the flaps to see what was there!

I enjoyed going to the computer room and worked hard to use the mouse and the keyboard by myself.

I enjoyed role play in our pumpkin and Christmas shop.

I loved making chapatis especially rolling out the dough. They were yummy.

I loved the story "Pumpkin Soup" and enjoyed making it too!

What's Happened: Autumn A 2022

Year 1 Jelly Fish

I liked learning about important people from history. The queen gave Christopher Columbus money to buy three ships.

I liked learning in science that animals, humans and plants all need water, food and air to live/survive.

I liked learning how to move my body in different ways in gymnastics. Slowly like an astronaut and rolling into moon rocks.

I liked making Christmas things at school.

I like playing with my friends.

I liked playing all the different instruments in music, the violin is my favourite.

What's Happened: Autumn B 2022

Year 2 Sea Turtles

I liked learning how to travel along the bench in gymnastics.

I liked exploring different instruments in music – especially the violin.

I liked DT week and making pictures move in different ways.

I liked gymnastics and learning how to balance like an astronaut.

I liked taking part in the Penathlon. I tried my best in all of the activities.

I liked our STEAM day because we dressed up like animals. I was chased outside because I was a mouse!

I liked our trip to take part in the Pentathlon. I enjoyed the race that we did at the end!

What's Happened: Autumn B 2022

Year 3 Orcas

I enjoyed making the Maya masks and painting them in art. I enjoyed being creative.

I enjoyed learning about the Maya and their warriors!

I really enjoyed dancing. I think it is beautiful. I enjoyed learning the Maya dance.

I enjoyed learning about the digestive system in science, and seeing how long the intestines are!

I enjoyed balancing on the benches in gymnastics and practising for the festival.

I liked climbing, balancing and rolling in gymnastics. It was fun!

I liked learning about different instruments and how they sound in Music.

What's Happened: Autumn B 2022

Year 4 Sea Otters

We made Christmas hats. We did some gardening and planted some bulbs.

We practised our timetables every day. We did a digestive system experiment in our STEAM afternoon.

We practised the "Three Kings" performance for our nativity play. We made ancient Mayan hot chocolate and wrote an instruction on how to make it.

We learnt about primary and secondary colours then we made Mayan masks.

We did addition and subtraction in Maths. In English, we learnt about how chocolates are made.

We learned about the digestive system, the different parts' names and how the food goes down.

We wrote a few acrostic poems about Remembrance Day, Poppies and anti-bullying.

What's Happened: Autumn B 2022

Year 5 Pufferfish

I have really enjoyed cooking and trying different foods from around the world.

I have really enjoyed making and eating Polish chocolate cake for our DT project.

I also liked making Birmingham cathedral out of newspaper!

I have enjoyed geography, learning about how coastline features are made and what life is like in different countries.

I have enjoyed learning about painting in art and I really like maths too!

I have really enjoyed cooking and trying different foods from around the world.

I have really enjoyed learning all the songs and performing them in our Christmas show. My favourite song is 'Away in a Manger'.

I have really enjoyed PE and taking part in the whole school Gymnastics Festival!

I have really enjoyed my learning and maths and I am proud of the improvement in my times tables!

I have really enjoyed our art lessons and learning how to make different shades of colours by adding white. It was lots of fun painting a monster too!

I have really enjoyed learning about addition and subtraction in maths.

I am very proud of how I have improved in all my work!

What's Happened: Autumn B 2022

Year 6 Seahorse

I liked learning about Poppy Day. I learnt about the 2-minute silence and that purple poppies represent the animals who helped in the war.

I learnt how to make the Pavlova, whisk the egg whites, pour the sugar, whisk, cook, wait and put fruit on. It was delicious.

I liked Forest School, it was cold, lots of ice. The wood was very heavy. I learnt to be resilient.

I took photographs. I had to decide if a photo should be taken in landscape or portrait.

I liked Forest School, we learnt to work as a team and build things.

What's Happened: Autumn B 2022

Year 6 Manta Rays

I enjoyed making the Japanese Christmas cake in DT and learning about their Shinto religion.

I have enjoyed learning how to make digital Christmas cards, I can try to make them at home.

I enjoyed making the Japanese Christmas cake and learning about how they celebrate Christmas different to us.

I liked learning about electricity in science, making different circuits and learning about electrical current.

I have enjoyed learning how to make a video and knowing when to zoom in and out.

I enjoyed learning how to play music loudly and quietly using crescendo and diminuendo.

I liked learning about different Christmas cakes. My favourite was the Polish chocolate cake.
