Repairs during Covid-19 lock down

Do NOT just arrive at the hospital

The department is closed for routine appointments, but children may be seen in case of emergency.

Ring the department and explain the problem or issue

A postal repair can be arranged.

Contact the department if you need batteries.

New Earmoulds

The audiology department has not released information regarding ear moulds and impressions. Various departments have different arrangements.

If the ear mould is split, lost or too small, please ring the department to make necessary arrangements for a replacement.

We would encourage you to contact the audiology department first and directly.

If you have any problems contacting the Audiology department, please speak to the class teacher or TA responsible for your child during this period. They will contact the school Audiologist as necessary. The school audiologist is currently not visiting the school.
