## Foundation Dinosaurs

I was excited to tell my friends about my family. I learnt that all our families are different.

I love being creative and learnt how to use scissors so that I can make great models.

I really enjoy exploring outside. I have learnt the rules that are important in Forest School.

I learnt all my friends' names and sign names. I love playing the name game.

I learnt how to climb up and over the A frame in PE. I love climbing!

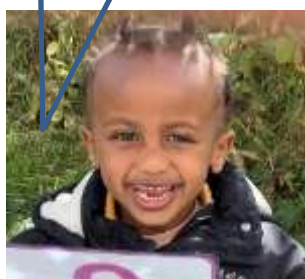

I love finding and looking after worms in the garden and at Forest School. I watch them closely.

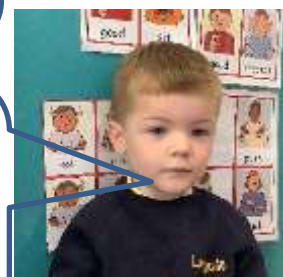

I have learnt how to use a peeler for different vegetables when making soup.

I have learnt how to say good morning and thank you using sign language. I enjoy practising new signs.

I love joining in with our counting rhymes. I have learnt how to count and sign numbers to 5 and I am practising my numbers to 9.

I liked reading our book 'Red Rockets and Rainbow Jelly' I learnt the signs and words for things that Nick and Sue like.

I liked learning about a family in Finland. I know lots signs for people in families.

**What's Happened:**  
**Autumn A 2023**  
**Year 3 The Ancient Greeks**

I have enjoyed maths. I have been learning my 10 and 11 times tables.

We learnt about different rocks and if they float or sink.

In Forest School we learnt about how the Stone Age people hunted.

We learnt about Claudia Gorden a black, deaf lawyer in Black History Months.

I have been learning to add numbers in the hundreds.

We have learnt that the Ancient Greeks lived a long time ago.

We learnt how the Stone Age people started fires.

# What's Happened: Autumn A 2023

## Year 4 Romans

We learnt how Stone Age people built the houses. They used pool Smelly houses! They used animal skins for lots of things.

We learnt about the different types of houses in Stone Age periods. We know the three different Stone Age periods which are called; Palaeolithic, Mesolithic and Neolithic.

We learnt about Marcus Rashford for Black History Month. He is a famous footballer who helps lots of children with school meals.

We learnt about Skara Brae. We know it is a village in Orkney Islands. Also, we learnt about Mary Anning by reading the story, Stone Girl Bone Girl.

We did Forest School and we pretended to be hunter-gatherers like Stone Age people. We made our own tools using stones and woods.

We learnt that earth has different layers. And the magma is very hot.

We did self-portraits in Art for the Art Competition.

We learnt about different types of Rocks which are called Igneous Rocks, Sedimentary Rocks and Metamorphic Rocks.

# What's Happened: Autumn A 2023

## Year 5 Anglo Saxons

I liked Forest School when we used the big saw to chop up the wood to make a fire!

I have really enjoyed my maths lessons. I am proud I am improving my skills!

I have enjoyed maths and I really liked learning my times tables!

I enjoyed learning about the different notes in music. I could read the notes to clap a rhythm!

I enjoyed the visit from the fire fighters. I learned that if your clothes are on fire you should stop, drop and roll!

I have enjoyed music. I learned the names of different notes and how long they lasted. I could clap different rhythms!

I loved collecting leaves outside and using these to write a shape poem! I used lots of adjectives to describe my leaf!

I like art and learning how to draw a face to put in our portrait gallery!
