

How to Access the service?

There are a number of ways to get in touch or to request support from the Special school nursing team:

Telephone – If known to the service you can call the number of your school nurse (see overleaf).

Email the secure NHS team email (see overleaf)

Complete “Request for Special school nurse intervention form” that is available on the website and has been sent to all schools. This must be completed by all agencies unless we are already involved in the care of the child / young person.

If there is any emergency medical or safeguarding support required you need to contact:

Children’s Advice and support service –
0121 3331888

Local Emergency Department

GP / Walk-in centre

Call 111 – they will give advice over the phone and can advise where nearest walk-in centre / emergency department is located.
