To all parents,

At this singularly difficult time I would like to thank you all for the way in which you are supporting the children and the school through your sensible and sensitive attitude towards your children's continuing education.

I am very well aware that all the staff at Longwill are working really hard to provide work and so ensure that learning and education for the children will continue for as long as the current situation with Corvid 19 continues.

The Governing Body want to wish you all good health in the coming weeks. In the meantime, take good care of yourselves and your children and we hope that soon the crisis will be over, that stability will return to the country and that all children can return to Longwill to continue learning, not having missed too much of their education.

On behalf of the Governing Body, I want to thank you all for all your support at a very stressful time and I hope you all manage to stay fit and healthy throughout this crisis.

Best wishes,

Briony Brookman

Chair of Governors
